

**Public Comment Period Open
OHMVR Division Grant Funding
March 5, 2019 – May 6, 2019**

City of California City Police and Fire Departments invite the public to comment on the preliminary grant applications to the California State Parks Off-Highway Motor Vehicle (OHMVR) Division to help manage off-highway vehicle recreation opportunities in California City.

This year's grant applications include funding requested for maintenance, law enforcement and safety projects.

The preliminary application is available on the OHMVR Division's Website at www.ohv.parks.ca.gov for review and comment from Tuesday March 5, 2019 to May 6, 2019. The division's website provides detailed instructions for accessing the preliminary application submitting comments. Applicant names are found in the General Application Requirements under item 3.

The OLGA (Online Grants Application) database allows the public to read preliminary applications in a centralized location and the Grants and Cooperative program allows for a thirty-day public review and comment period.

March 5, 2019 to May 6, 2019 time frame allows for public comments.
